I. Coalition for Competitive Access to Content (CA2C)

1. Introduction and membership
2. Brief history of the issue and the group
3. Narrow focus on content access
 - a. The only issue we all can agree on.
 - b. Strength in our diversity.

*(However, must limit CA2C discussions to content access.
The CA2C will not take positions on other media issues.)*

II. Current and Historical Profiles of Vertical Integration

1. The CA2C submitted two summaries of MVPD industry vertical integration.
2. Request that the FCC validate this information as a common reference point.
3. It is further requested that the FCC collect all of this data during future Cable Competition NOI proceedings.

II. Recommendations for the 628 Sunset Proceeding

1. Extend the current rules at least 5 years.
2. Establish a 120-day resolution deadline for all complaint proceedings.
3. Strengthen discovery process for access to relevant contracts.
4. Request that the Commission affirm that the Terrestrial Loophole is a relevant issue that must be addressed.
